

Outplacement programme

Are you facing difficult decisions about the future of your workforce in the current economic downturn?

Are you keen to provide your employees with support and guidance through this difficult time of change and uncertainty?

Would you like to make sure you retain key staff and ensure they have the right skills to help your organisation come out of this financial crisis stronger?

If you answered yes to the questions above - Windmills can help you.

Windmills works with a diverse range of organisations across the UK. We provide highly successful unique change management and outplacement programmes.

We invite you to attend our **FREE** workshop for employers, so you can experience first hand Windmills unique approach to outplacement.

*Coffee served from 9.00 am

The Workshop

A selection of thought-provoking, practical exercises and activities will demonstrate how Windmills can help you to;

- Equip individuals to take control in times of uncertainty and change
- Assist those affected by redundancy in their successful transition to a new job
- Improve the morale, motivation and productivity of remaining staff
- Increase retention of key staff
- Strengthen your employer brand and boost Corporate Social Responsibility policies
- Share best practice and experiences with other employers

If you would like to learn more about how Windmills can help you support your employees and maintain an engaged workforce through this economic crisis reserve your place/s on this fantastic workshop by contacting:
